

CALROY.

Oral Microbiome Gum

Supports oral, dental, and cardiovascular health.*

SMARTER GUM FOR BETTER HEALTH.

Calroy's Oral Microbiome Gum can support your health journey to happy smiles and a healthy heart.*

Supporting a Healthy Oral Microbiome*

Beneficial prebiotic nitrates help to maintain a balanced oral environment that is crucial for oral and dental health.*

Comprehensive Wellness*

Incorporate this gum-based supplement into your routine to support oral and cardiovascular health, which are foundational for overall wellness.*

Nitric Oxide Support*

The gum encourages the growth of beneficial bacteria that assist nitric oxide production.* Prime your body for efficient nitric oxide conversion.

CALROY.

Oral Microbiome Gum

For happy smiles and a healthy heart.*

Calroy's Oral Microbiome Gum is a revolutionary gum-based dietary supplement crafted to support oral, dental, and cardiovascular health.* This bright berry flavored gum is formulated with beneficial oral prebiotic nitrates, which play a crucial role in maintaining a healthy oral microbiome.*

By supporting nitric oxide conversion, this gum not only promotes oral health but also contributes to cardiovascular wellness.*

An essential part of your daily health routine.

Every product comes with a 45-day, 100% money-back guarantee.

Made without gluten, dairy or soy. Sugar free. Vegan. Non-GMO.

Recommended Use: Chew 1 piece up to 6 times a day. When you first begin chewing, the gum's texture will feel crumbly. Once you chew for a moment, however, it will come together into a gum consistency. You only need to chew the gum for about 5 minutes for optimal results.

Exclusively manufactured for and distributed by Calroy Health Sciences.

Calroy Health Sciences® is a registered trademark of Calroy Health Sciences, LLC. Patent pending.
