

The physiological importance of nitric oxide was established by Nobel-prize winning research.

BACKED BY SCIENCE. BUILT FOR RESULTS.

Optimal nitric oxide levels have been shown to:

-  Support a healthy cardiovascular system*
-  Support and maintain blood pressure in the normal range*
-  Support healthy circulation*

Calroy's proprietary, patent-pending formula, Vascanox HP targets nitric oxide metabolism, using multiple pathways.*

In an open label published study, a single dose of Vascanox HP increased salivary nitric oxide levels for up to 24 hours.*†

**As measured by saliva NO test strips in an open label published study, Houston, 2023*

Up to 24 Hour Nitric Oxide Support^{*†}

Vascanox HP is exclusively formulated with Noxa24™ – Calroy's proprietary blend for nitric oxide support.

Vascanox HP is a next-generation product providing nitric oxide support for up to 24 hours with a single dose.^{*†} Vascanox HP supports the natural production, storage, and release of nitric oxide.*

Vascanox HP contains Noxa24, a carefully curated selection of synergistic compounds derived from fruits and vegetables. In addition to potassium nitrate, a precursor for nitric oxide, a blend of polyphenols with antioxidant activity supports the entire biotransformation process for nitric oxide.

^{*}As measured by saliva NO test strips in an open label published study.
Houston, 2023

Every product comes with a 45-day, 100% money-back guarantee.

Made without gluten, dairy or soy. Vegan. Non-GMO.

Directions: Take 1-2 capsules in the morning, or as directed by your healthcare practitioner.
